

# DEANDRE RILEY (D.R. SPEAKS)

SPEAKER | AUTHOR | COACH | PASTOR

Over the past 10 years, thousands have been impacted through the messages, books and conferences of DeAndre Riley -D.R. Speaks. After suffering the loss of both biological parents at a young age, D.R. Speaks could have become a victim of his circumstances. Instead of allowing those things to defeat him, he used them as stepping stones to his unmerited success. As a speaker, author, coach and pastor, he seeks to deposit a simple, yet profound principle in the lives of those he encounters: *inspire, inform, instruct, impact.*
